

## Four Point HR Affiliates

To provide a more complete solution for our clients, we've added capital funding, marketing, and staffing/recruiting services to our portfolio. Our clients partner with one Four Point team for all services.

**ALSource** provides employee administration and operational compliance programs that create customized partnerships with Assisted Living Facilities to improve resident care and build profitable census.

**Four Point Staffing** provides short and long-term employer solutions including staffing, recruiting and consulting services.

**Four Point Capital** provides innovative funding products to help small businesses increase working capital, improve cash flow, and take advantage of growth opportunities.

**Four Point Marketing** provides marketing services including Web site creation/redesign, collateral, PR, brand messaging, and social networking.

*"I highly recommend the team at Four Point as both experts in the field of staffing and gifted with the strong interpersonal skills necessary to build a strong team in each assisted living community we manage. They have transformed the way our company recruits, staffs, and operates, making us far more efficient and effective for the current Senior Housing environment. The team at Four Point Staffing has an incredible combination of experience, critical thinking skills and personality. These traits position them to lead at the highest levels of HR."*
